Viticulture	Our culture methods are traditional and respect the ecosystem of the land where the vines are grown.
Wine Making	Traditional medocan plot by plot wine making. After total destemming, maceration of 3 to 5 weeks in thermoregulated vats, with regular pumping overs.
Ageing	During 18 months in 100 % new oak barrels from 10 different coopers.
Tasting	"The Creator" is the goal of pleasure in all the greatness of wine. Black colored, punchy nose, concentration of fruits. Aromas melt with a pleasant nose of vanilla and toasting. The wine is full, ripe with black fruits, fleshy; elegant and exceptional length. The tannins are solid and very smooth.
