

Château Haut Breton Larigaudière 2022

MARGAUX

Location	Soussans
Owner	Famille De Schepper
Technical Director	Jean Michel Garcion
AOC	Margaux
Soils	Gravel and sand on subsoil of sand, gravel and clay
Surface	15 hectares
Yields	45hl/ha
Age of the vineyard	25 years on average
Density of plantation	10 000 vines/hectare
Production	675 hectolitres
Grape Varieties planted	65% Cabernet-Sauvignon, 30 % merlot, 5% Petit Verdot
Viticulture	Our culture methods are traditional and respect the ecosystem of the land where the vines are grown. (HEV certification, level 3 : High Environmental Value). Disbudding, removing of unwanted shoots (suckering), green harvesting, de-leafing..
Wine Making	Cold pre-fermentation, maceration from 15 to 30 days in concrete and stainless steel vats. Fermentation separated from each grape variety according to the age of the vines and the soil origin. In order to highlight the aromas, the alcoholic fermentation process is conducted with relatively low temperatures (between 26° and 28° celsius).
Ageing	in oak barrels from 10 different coopers, 70% new barrels.
Blend	85% Cabernet-Sauvignon, 10% Merlot, 5% Petit Verdot
Tasting	This Margaux immediately reveals its class thanks to its intense, brilliant ruby colour and its elegant bouquet of red and black fruits, liquorice, pepper and vanilla. On the palate, it is distinguished by its power, sap and fullness combined with great freshness.
